

# POWER CRYSTALS K338

## Heavy-Duty Concrete & Equipment Cleaner

A balanced blend of special surfactants, builders & solvents to quickly strip away grease, oil & dirt from concrete & other washable surfaces. As a powdered detergent, this product is fortified with the all-natural solvent d'Limonene, making it safe to use on almost any surface. Plus it is free-rinsing, biodegradable & provides a fresh orange scent as it cleans.

Most surfaces are porous & normal cleaning will not completely remove oil stains. This can create a dangerous slippery surface when wet. **Power Crystals** will penetrate the surface's pores & totally eliminate any oil residue.

### FEATURES & BENEFITS

- Eliminates the unsightly stains in garages & work shops
- Reduces liability associated with slipping and falling due to wet oil stains
- Heavy duty concrete & equipment cleaner
- Made with the citrus extract d-Limonene
- Changes color in water from bright orange to fluorescent yellow-green to indicate the strength of the solution

### FOR USE ON:

Concrete \* Painted Surfaces \* Wood \* Soak Tank \* Metal \* Parts Washer \* Plastic

### EFFECTIVE AGAINST:

Heavy Grease & Oil Deposits

#### Properties

Appearance..... Orange powder  
 Fragrance..... Citrus  
 Concentrate..... Yes  
 pH (in 10% solution)..... 12.5  
 D-Limonene content..... 3%  
 Biodegradable..... Yes  
 Foaming..... Low foaming  
 Application..... Sprinkle powder or dilute & spray, mop, sponge or immerse

#### Safety

Caution: May be harmful if swallowed. Keep out of the reach of children

#### Directions

**Concrete:** Sprinkle powder on wet floor. Scrub with stiff broom & rinse with clean water.

**General Cleaning:** Use 4-16 ounces in 5 gallons of water, then sponge, mop or spray solution onto surface.

**Soak Tank Degreasing:** 1/2 to 1 pound per gallon of hot water. Dry all cleaned parts to avoid flash rusting.
