

100% Natural Organic Slime, Odor and Grease

S.O.G. CONTROL is the industry's most versatile, 100% natural organic degreaser available. A unique combination of special ingredients and concentrated natural citrus solvents cuts through the toughest grease quickly and easily, leaving a pleasant scent.

S.O.G. CONTROL is non-conductive, non-corrosive and biodegradable. It emulsifies completely with water, liquefying resin and grease and rinsing them completely away.

S.O.G. CONTROL contains no acids, caustics, petroleum distillates or other hazardous compounds, making it safe to use on virtually every surface.
