

POWERZYME K227 ODOR EATER

Active Bacteria Odor Eliminator

POWERZYME ODOR EATER is a foaming spray containing billions of active bacteria specially designed to eliminate odors that are organic in nature from carpets, upholstery, porous and non-porous surfaces.

POWERZYME ODOR EATER will effectively neutralize organic odors such as cat, dog and human urine and other fecal matter. Ideal for dog kennels, bathrooms, trash receptacles and kitchen areas for all organic source odors.

The unique inverted valve system insures easy application and use of every ounce of product, making **POWERZYME ODOR EATER** economical and effective.
