

# K338 POWER CRYSTALS

## *Heavy Duty Concrete & Equipment Cleaner*

## Industrial/Automotive Powders Granules & Tablets

A balanced blend of special surfactants, builders and solvents to quickly strip away grease, oil and dirt from concrete and other washable surfaces. As a powdered detergent, this product is fortified with the all-natural solvent d'Limonene, making it safe to use on almost any surface. Plus it is free-rinsing, biodegradable and provides a fresh orange scent as it cleans.

Most surfaces are porous and normal cleaning will not completely remove oil stains. This can create a dangerous slippery surface when wet. **Power Crystals** will penetrate the surface's pores and totally eliminate any oil residue.
