

ELIMINATOR

K351

Total Vegetation Killer & Soil Sterilant

ELIMINATOR is a VOC compliant, water based, ready to use vegetation killer and soil sterilant. Just 1 gallon of **ELIMINATOR** will cover 1200 square feet. **ELIMINATOR** is absorbed through leaves and roots to assure permanent kill. Residual control will remain effective up to 12 months.

A typical rainfall 3-6 hours after application will not reduce effectiveness. Minimal odor allows easier and safer application. **ELIMINATOR** prevents complaints of obnoxious odors and possible illness.

FEATURES

- V.O.C. Compliant
- Controls Unwanted Vegetation For 12 Months
- Minimal To No Odor
