

K36 Always Shine

Oil-Based Stainless Steel Cleaner

ALWAYS SHINE is formulated to clean, brighten, polish and protect stainless steel. Can be equally effective for use on aluminum, chrome, formica, porcelain and ceramic tile. **ALWAYS SHINE** requires minimum effort to quickly remove smudges, soil and stains. No hard rubbing needed. **ALWAYS SHINE** forms a shield that resists water marks and rusting. It preserves high luster and is a non-abrasive product that forms a protective coating.

Directions: Shake well. Holding can 6 to 12 inches from surface to be cleaned. Spray **ALWAYS SHINE** sparingly and wipe clean. Polish immediately with dry cloth or paper towel. May also be used to clean chrome, tile, porcelain and formica.
