

# K47 BLAST

## *Fogging, Flying Insect Killer*

## Insecticide Aerosols

**Blast** is an EPA registered, water base aerosol, true multi-purpose insect killer. It contains the synthetic, pyrethroid premethrin for quick knockdown.

**Blast's** non-staining formula provides up to 4 weeks residual control of bedbugs, houseflies, mosquitoes & many other crawling & flying insects.

For use on dogs & on premises to control fleas & ticks. For use on livestock to control flies, fleas & gnats. Controls garden insects on ornamentals & plants. Authorized for use in animal quarters & milk houses.

***“Blast Is The Safest Most Versatile Insecticide Available!”***
